Mathy,

Here's what I've received from Region 6 on the Animas River Recovery mtg:

An Animas River Recovery Open House is scheduled for Farmington, NM on Tuesday, September 1, 2015 from 3 pm to 8 pm MDT. Areas of interest to be covered include, "Anticipated Long Term Environmental Monitoring of the River and Sediments", "Water Quality" and "Economic Impacts: Claims" The EPA Region 6 Incident Commander is scheduled to attend along with a member of the EPA Region 6 Environmental Unit.

I've asked our liaison officer (Liz Fagen) to also provide input.
